Practicality and portability â € â Â ™ The surface of the many reasons to download a biblical app! With the functionalities to look quickly, highlight, share, connection, copy/paste versions, access concordance, more access to the extensive page and much more, you will see that a biblical app offers much more than the simple text. 11. Here is an in-depth review that sells you on this power-app if you are not convinced of its value. * Social: Share with your Faithlife groups and keep the â € ‹â € â € â €. But there is much more in this exceptional study app of the Catholic Bible including highlighting, bookmarking and functionality of taking notes that saves online so that you can access your information and open up to the last page read among your devices furniture or your computer. It also offers the Douay-Rheims Bible which is local, so you don't have to be connected to the Internet. This is still an excellent deal for a fully downloadable Catholic Bible, and the best part is that it integrates directly with the imissal so that you can jump from mass readings and verses of the Bible directly in the imissal Bible for complete contextual reference. But this gives you a multi -platform use wherever you go with any relevant device you use to access the Bible you are in the middle of the reading. 6. You will be amazed! The interface to deepen all the various tools is elegant and fluid. No wifi is necessary, so the entire Bible can be read offline and available for immediate use. Requires Internet connection. From the USCCB: ã ¢ â,¬ å "relaxed on March 9, 2011, the New American Bible, Auded Edition (Nabre) is the climax of almost 20 years of work by a group of almost 100 scholars and theologians, including bishops, auditors and editors. Turn on this app and have fun reading the gospels as you listen to the oars of Peter's boat that slaps the water on the sea of Galilee or the crowd that jumps out for the To attend a miracle of Jesus. X Ipieta. ($ 2,99) The full version in Apple and Android is divided into different lite apps.
